

# Hi There, Friend!

*Hi There, Friend!*

*Welcome to our super cool digital playground! Here is a little guide to help you play with our*

*What can this Panda do?*

*Magic Fur: Our Panda has the softest fur in the digital world! If you click on him, your p*

*Copycat Mode: If you click the "Neural Cam" button and say "Yes" to the camera, the Pa*

*Move the World: On your phone, you can tilt your screen like a steering wheel to make him*

*Super Privacy: Even though he uses the camera to play with you, he is a very private Pan*

*We built this because we love making things that feel like magic. Have fun exploring!*

*With Love,*

*The Quinzex Team*
